Welcome to Nepal Mega College

On behalf of the MEGA family, I extend my sincere gratitude to our guardians, faculty members, students, alumni, and well-wishers for their continued support and trust in Nepal Mega College.

Since its establishment, the college is committed to providing quality education that nurtures academic excellence, critical thinking, creativity, and social responsibility. Our goal is to prepare future professionals, managers, and entrepreneurs who can confidently meet the challenges of an ever-changing global environment. Through a strong emphasis on practical learning and innovation, we strive to equip our students with the knowledge, skills, and values needed for successful and meaningful careers.

The remarkable growth of Nepal Mega College has been made possible through the collective efforts of dedicated educators, distinguished supporters, and the wider community. As we move forward, we remain committed to continuous improvement and excellence in education.

I look forward to your continued cooperation as we work together to achieve even greater milestones in the years ahead.

Gopal Khanal
Chairperson

Bachelor of **Computer Application (BCA)**

Mega BCA program is a four-year, 8 semester 130 Credit hours undergraduate program of Tribhuvan University (TU) under the faculties of Humanities and Social Science. BCA program prepares students to develop their career in the field of Computer Application, Software Development, Web Development, Game Development, Mobile Application Development, Data Analysis & Visualization, AI, ML, Cybersecurity, Cloud Computing, Network Security, IT management, Digital Business, Higher Studies.

The Mega BCA Program combines the Tribhuvan University curriculum with additional industry-focused training to meet evolving job market demands. Students gain strong foundations in programming, software development, database management, and emerging technologies through a practical learning approach. Beyond academic courses, Mega offers value-added skill development packages, workshops, and career-oriented activities that enhance employability. It prepares graduates to excel in the IT industry, pursue higher education, and become innovative technology professionals.

"My journey at MEGA was truly rewarding. The college not only ensured excellence in the TU curriculum but also provided valuable additional training in programming, professional skills, and emerging technologies. These extra packages gave me practical exposure and boosted my confidence. The supportive faculty members and industry-oriented learning environment helped me excel academically and prepared me to compete effectively in the job market."

Aayush Pokharel
Nepal Second, BCA 1st Semester, 2024 Batch

"MEGA offered me much more than a degree. Along with quality academic instruction, the college's career-focused workshops, technical training, and skill enhancement programs helped bridge the gap between classroom learning and industry expectations. These opportunities strengthened my technical and professional competencies, making me job-ready from the very beginning. I am grateful for the guidance and support that contributed to my success."

Anushka Sthapit
Nepal 4th, BCA 1st Semester, 2024 Batch

Bachelor of **Business Management (BBM)**

The BBM program follows a semester-based system and is structured as a four-year degree comprising eight semesters, each involving 16 weeks of intensive academic engagement. The curriculum is designed to develop students' capabilities in creative thinking, strategic decision-making, leadership and communication, as well as ensure the effective management of business operations in an evolving organizational environment.

MEGA BBM program offers a range of additional professional training packages that complement the academic curriculum and enhance students' career readiness. These industry-focused programs are designed to bridge the gap between classroom learning and workplace expectations by equipping students with practical, job-oriented skills highly valued in today's competitive market. Through specialized training, workshops, and skill-development initiatives, students gain hands-on experience, improve their professional competencies, and strengthen their employability. This integrated approach ensures that graduates are not only academically qualified but also well-prepared to meet the evolving demands of employers and succeed as competent business managers, entrepreneurs, and future industry leaders.

"My experience at MEGA BBM program has been truly rewarding. The quality of education and practical learning approach have helped me develop strong business and leadership skills. The additional career-focused training packages provided by the college have given me a competitive edge in the job market. I also appreciate the homely and supportive environment that makes learning enjoyable. The highly qualified and approachable teachers have played a significant role in my personal and academic growth."

Tulsa Dhakal
Nepal Topper, BBM 1st Semester 2024 Batch

"Choosing MEGA BBM program was one of the best decisions for my career. The program combines academic excellence with professional training that prepares students for real-world challenges. The extra career packages have enhanced my employability and boosted my confidence. The college maintains a welcoming, family-like atmosphere where every student feels valued. With experienced and dedicated faculty members, MEGA provides the guidance and support needed to succeed both academically and professionally."

Nirmala Jaishi
Nepal Third, BBM 7th Semester, 2021 Batch

Bachelor of **Business Studies (BBS)**

The Bachelor of Business Studies (BBS) is a rigorous, four-year annual degree program conducted by Tribhuvan University's Faculty of Management (FOM). Designed to provide a deep foundation in core business principles, this yearly exam-based academic course empowers students to build specialized expertise in vital corporate disciplines, including General Management, Marketing Management, Financial Management, and Accountancy. By blending essential theoretical knowledge with strategic insights, the curriculum ensures that graduates enter the workforce with a versatile and highly industry-relevant skillset.

MEGA BBS program offers a comprehensive professional package specifically tailored to facilitate smooth and competitive placement in today's dynamic job market. This proactive approach to career readiness equips students with the practical tools and confidence necessary to excel immediately upon graduation. Consequently, MEGA alumni have established a proven track record of career success, consistently securing coveted, high-level positions across government agencies, leading banking, financial institutions, and prominent corporate houses.

- Preparation Classes for PSC/ IELTS

"Success is built on self-belief, consistency, and the right direction. I am proud to serve at Rastriya Banijya Bank, where my aspiration became reality through dedication and perseverance. I am grateful to Nepal Mega College for providing the foundation that supported my professional journey."

Sandesh Bhandari
Branch Manager, Rastriya Banijya Bank

"I would like to express my deep appreciation to Nepal MEGA College and its faculty. The experienced faculty, structured guidance, and regular practice sessions strengthened my preparation and confidence. The supportive and qualitative learning environment further enhanced my focus and discipline. With this strong academic foundation, I successfully cleared the Loksewa examination and entered government service. The Loksewa Preparation Classes at MEGA greatly contributed to my success in the competitive exam."

Sabin Bhattarai
Section Officer, Ministry of Foreign Affair

Bachelor of Arts in **Social Work (BASW)**

The Bachelor of Arts in Social Work and Psychology is a four-year program under Tribhuvan University's Faculty of Humanities and Social Sciences. Designed to meet both local and global demands, the curriculum blends foundational theories with intensive, hands-on fieldwork, research, and academic writing across eight comprehensive papers. Alongside compulsory courses in English, Nepali, and Nepal Studies, the program equips students with vital practical skills while deeply instilling the principles of human rights and social justice to produce highly skilled social work professionals.

Main Attractions

- Week-long Organizational Visits
- Workshops on Effective Fieldwork Practice
- Seminars on Research Report Writing
- Trainings on Understanding Organization and Its Functioning
- Rural Camp, Block Placement and Field Visits
- Trainings on Academic Writing & Leadership Development
- NGO Meet- Highlighting the Recruitment Process and Exploring Job Opportunities

Master of **Business Studies (MBS)**

MBS program follows a semester-based system and requires the completion of 66 credit hours, including a dissertation component in four semesters.

The primary objective of the MBS program is to develop competent managerial professionals capable of meeting the growing demand for higher-level management positions in various organizations. The program equips students with advanced knowledge, analytical skills, and practical competencies in key functional areas such as accounting, marketing, finance, human resource and general management. Upon successful completion of the program, graduates are prepared to assume managerial and leadership roles in business enterprises, industries, government agencies, and non-governmental organizations, both within Nepal and internationally.

Eligibility Conditions for Admission

The students applying for admission to MBS course must have successfully completed bachelor's degree on any discipline from Tribhuvan University or from any other university recognized by TU.

Exclusive Activities for **MBS Students**

1st Semester

Research and Case Study

Students are engaged in business research, case study analysis, and report writing to develop analytical and problem-solving skills.

2nd Semester

Internship and Field Exposure

Students are given Practical exposure through Internships and Field visits that help students understand real-world business operations and organizational practices.

3rd Semester

Workshops and Trainings on Proposal Writing for Dissertation

Workshops, guest lectures, training sessions on entrepreneurship, leadership, professional skills and proposal writing enhance academic as well as managerial competence.

4th Semester

Dissertation Writing and Presentations

Seminars, group discussions, and presentations improve communication skills, teamwork, and critical thinking abilities for writing final dissertation.

Message from

The Principal

Dear students, parents and guardians!

It is my pleasure to introduce Nepal Mega College, a renowned college as well as center of academic excellence dedicated to producing skilled, competent, and productive graduates. The college offers a wide range of Bachelor's and Master's programs, blending theoretical knowledge with practical learning through researches, project works, internships, and co-curricular activities. Over the years, Meganians have achieved outstanding academic results, earned prestigious scholarships, and secured success in competitive examinations and professional careers.

With innovative teaching methods, experienced faculty members, and excellent learning facilities, Nepal Mega College provides an inspiring environment for academic and personal growth. The college is committed to nurturing curiosity, creativity, and critical thinking while guiding students toward a bright, successful, and rewarding future.

Mr. Dinesh Khanal

Voice of Meganians

"My years at MEGA provided me with a vibrant academic environment that nurtured both knowledge and confidence. The dedicated faculty and practical learning opportunities prepared me to excel beyond the classroom. MEGA's exclusive career-oriented programs and professional development packages enhanced my employability and workplace readiness. The institution's commitment to academic excellence and skill development gave me a competitive edge in the job market. I am proud to be a Meganian."

Lokendra Chanda
President, MEGA Alumni Association

"I express my sincere gratitude to Nepal MEGA College for its excellent academic environment. The quality teaching and supportive faculty greatly enriched my learning experience. The college's extra-curricular activities helped me build confidence and practical skills. Career-oriented programs and exposure to the job market enhanced my professional readiness. I am proud to be a Meganian and thankful for the foundation provided for my future success."

Pratigya Ghimire
SQC President, Nepal MEGA College

"My experience at MEGA College was truly enriching. The TU BCA program, complemented by practical training, skill development, and the guidance of dedicated faculty, provided a strong foundation for my professional growth. I am grateful to MEGA College for equipping me with the knowledge, confidence, and skills that continue to support my professional career."

Jyotsna Pant
BCA Graduate, 2018 Batch
